Dear Parents,

We are so delighted that you are interested in enrolling your child in the Amlin Community Preschool! We feel confident that you will be very happy with the choice you are making for your child.

Not too long ago, a group of teachers sat around a table to talk about how to start a preschool program at their church. A lot of decisions would have to be made. Should the preschool session be one day a week or two? What age group should be served? What time of the day?

At that first meeting, a lot of questions were left unanswered. But, there was one thing that was abundantly clear. These teachers wanted to start a preschool. And, not just any preschool. They wanted to start a preschool that would meet the needs of the community and would be an educational experience in a Christian environment. As a result, the Amlin Community Preschool was born.

Since then, the preschool has grown each year and has been very successful. And, while the school grows, the program keeps its original mission. The classes remain small to make sure that each child's learning experience is individualized and unique.

Offering two age-specific sessions per week, all children are taught by certified teachers following a schedule-driven, skill-building, Christian curriculum that incorporates the state of Ohio Early Learning Content Standards. Teachers help children build skills to grow physically, emotionally and intellectually. Plus, children will have fun and be encouraged to socialize with other children in a nurturing Christian environment.

In order to register, you will need to fill out the attached registration sheet and pay a \$50 registration fee and the first month's tuition of \$80. These can be returned to the Amlin United Methodist Church office:
